

Outcome Measurement in Palliative and End of Life Care with POS Family of measures

Clinical Day. 13th February 2020

09.30 - 09.45	Coffee ☕ Registration	
Session 1: New advances in the use of POS family of measures in clinical settings Chair: Dr Sabrina Bajwah, Clinical Senior Lecturer in Palliative Care Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation		
9:45-9:50	Welcome by the Chair of the Session Dr Sabrina Bajwah, Clinical Senior Lecturer in Palliative Care Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation	
9:50-10:30	Launch of Outcomes Action Collaborative ☕ Different ways of using the POS family of measures Prof Irene Higginson, Cicely Saunders Institute Director, Head of Division, Professor of Palliative Care and Policy and Honorary Consultant King's College Hospital	
10:30-11:10	Generic as well as disease specific measurement of outcomes Dr Catherine Evans, HEE/NIHR Senior Clinical Lecturer, Cicely Saunders Institute and Honorary Nurse Consultant Sussex Community NHS Foundation Trust	
11:10-11:25	Refreshment break	
Session 2: Improving services and care through evidence – Part 1		
11:25-12:15	Dinwoodie 1☕ 2 (Ground Floor) Chair: Joanna Davies, Dunhill Medical Trust Research Training Fellow, Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation	Multifunction Room (Ground Floor) Chair: Dr Mevhibe Hocaoglu, Research Associate, Cicely Saunders Institute, Department of Palliative Care, Policy ☕ Rehabilitation
	If you are <u>already collecting data</u>, this session is relevant to you. Data capture and integrated reporting of IPOS and its supplementary measures Prof Fliss Murtagh, Professor of Palliative Care at Hull York Medical School and Visiting Professor of Palliative Care at Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation Joanna Davies, Dunhill Medical Trust Research Training Fellow, Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation	If you are thinking of joining the Outcomes Action Collaborative but <u>not yet collecting outcomes data</u>, this session is relevant to you. Developing POS competencies and training to use the POS family of measures Dr Natasha Lovell, Clinical Training Fellow, Cicely Saunders Institute of Palliative Care, Policy ☕ Rehabilitation
12:15-13:15	Lunch Break ☕ Poster viewing	List of Posters: <ul style="list-style-type: none"> • Management of Chronic Breathlessness: Using IPOS data to support service development. Dr Margaret Elliott, Julie Harris and Dr Alison Blaken St Elizabeth Hospice, Ipswich • A Retrospective Audit of IPOS Questionnaires – Use and Review in a Large Inpatient Unit. Dr Clare McKiernan, Dr Zwesty Rimba and Dr Emer McKenna Douglas Macmillan Hospice • MDT presents “Outcome measures” Freya Springall and Ruth Bacon, St Wilfrid’s Hospice • Evaluating and improving IPOS data collection in a hospice Inpatient Unit Dr Poorni Jaganathan Marie Curie Hospice West Midlands

Session 3: Improving services and care through evidence - Part 2 Chair: Dr Lesley Henson, Clinical Lecturer in Palliative Care Cicely Saunders Institute of Palliative Care, Policy & Rehabilitation			
13:15-13:50	Improving care through POS – Dr Clare Ellis-Smith, Lecturer, Cicely Saunders Institute, Department of Palliative Care, Policy & Rehabilitation		
13:50-14:25	POS in global clinical care: The POS & IPOS experience in Mallorca, Spain Dr Juan Pablo Leiva Santos, Palliative and Supportive Care Team Hospital Manacor, Mallorca, Spain		
Session 4: Abstract Presentations Chair: Dr Steve Marshall, Clinical Academic at King's College Hospital NHS Foundation Trust, King's College London, and Cicely Saunders Institute of Palliative Care, Policy & Rehabilitation			
14:25-15:25	14:25-14:40	Pilot study in Institute of Oncology Bucharest (IOB) for use of Integrated Palliative Outcome Scale (IPOS) in the screening of needs of palliative care for patients with advanced cancer Dr Alexandru Calin Grigorescu, Institute of Oncology Bucharest	
	14:40-14:55	Baseline Audit of Palliative Care Need in Interventional Oncology Service Clinic Dr Olivia Williams, University College London Hospital	
	14:55-15:10	Implementing IPOS at St Ann's Hospice, with particular reference to the less responsive patient Amy Kelly, St Ann's Hospice, Greater Manchester	
	15:10-15:25	Management of Chronic Breathlessness: Using IPOS data to support service development Dr Margaret Elliott (presenting), Julie Harris and Dr Alison Blaken St Elizabeth Hospice, Ipswich	
15:25-15:40	Refreshment break		
Session 5: Roundtable Discussions on future directions and exploring collaborations with POS Family of Measures			
15:40 – 16:20	Multifunction Room (Ground Floor)	Dinwoodie 1 & 2 (Ground Floor)	David and Isobel Walker Room (2nd Floor)
	What roles can POS family of measures play in clinical practice? Dr Sabrina Bajwah (Lead facilitator) Dr Lesley Thoms (Assisting Facilitator)	How could POS measures be improved? Dr Clare Ellis-Smith (Lead facilitator) Dr Rohan Mongru (Assisting facilitator)	Developing Decision Support – What are the most urgent needs to support care decisions with POS family of measures? Prof Irene Higginson (Lead facilitator) Dr Mevhibe Hocaoglu (Assisting facilitator)
16:20-16:35	Reconvening in Dinwoodie 1&2 for summarizing the main points from the round table discussions (Lead Facilitator to report)		
Closing of the Clinical Day			
16:35 - 16:45	Discussion, future directions & closing remarks Prof Irene Higginson, Cicely Saunders Institute Director, Head of Division, Professor of Palliative Care and Policy and Honorary Consultant King's College Hospital
