

Outcome measures in palliative care: Using the POS family of measures, Research training day, Friday 6 February 2015

09.30-09.45 Coffee & Registration

Session 1: Where we are and where we'd like to go in outcome measurement Chair: Prof Claudia Bausewein

09.45-10.00 **Welcome & introduction** - *Prof Irene Higginson, Institute Director, Head of Division, Professor of Palliative Care and Policy and Honorary Consultant King's College Hospital*

10.00-10.30 **Systematic review and outcome measurement research in Europe and Africa** - *Prof (Dr Med) Claudia Bausewein, Medical & Academic Director, Interdisciplinary Center for Palliative Medicine, Ludwig-Maximilians-University, Munich*

10.30-10.45 **Q&A session** - *Prof Claudia Bausewein & Prof Irene Higginson*

10.45-11.00 Refreshment Break

Session 2: Use of the POS family of measures around the world: Use and validation Chair: Dr Richard Harding

11.00-12.00 **Part 1: POS, POS-S and IPOS validity and reliability** - *Dr Fliss Murtagh, Reader and Clinician in Palliative Medicine, Cicely Saunders Institute*

Part 2: Closing the gap between assessment and outcome measurement: Introducing a new POS-derived screening tool for residents with dementia - *Clare Ellis-Smith, BuildCARE PhD Training Fellow, Cicely Saunders Institute*

Part 3: Adapting and validating a measure, focusing on the African POS; translation & cultural adaptation - *Dr Richard Harding, Reader in Palliative Care, Cicely Saunders Institute*

12.00-12.15 **Q&A session** - *All Session 2 facilitators*

12.15-13.15 Lunch

12.45-13.15 **Meet & greet- available to discuss translations** - *Dr Jana Witt, Project Manager and Research Associate, Cicely Saunders Institute, Dr Mendy Dzingina, BuildCARE PhD Training Fellow, Cicely Saunders Institute & Dr Lucy Selman, Cicely Saunders International Faculty Scholar, Cicely Saunders Institute*

Session 3: Implementing, utilising and collecting data for the POS family of measures Chair: Prof Irene Higginson

13.15-14.15 **Part 1: Implementation science** - *Dr Jana Witt*

Part 2: Using POS across different research designs - *Prof Irene Higginson*

Part 3: Using routinely collected data - *(presenter tbc)*

14.15-14.30 **Q&A session** - *All Session 3 facilitators*

14.30-14.45 Refreshment Break

Session 4: Breakout session options (as reserved online) Chair: Dr Fliss Murtagh

14.45-15.25 i) **How to analyse POS data and referencing structure** - *Christina Ramsenthaler, PhD Training Fellow, Cicely Saunders Institute*

ii) **Using POS for the first time in research** - *Dr Liesbeth van Vliet, Trial Manager and Research Associate, Cicely Saunders Institute*

iii) **Health economics- estimating a preference - based measure of health-related quality of life (HRQoL) for the POS** - *Dr Mendy Dzingina*

15.25-15.45 **Q&A feedback from all breakout sessions** - *All Session 4 facilitators*

15.45-16.00 **Your ideas for POS development, summary and closing remarks** - *Dr Fliss Murtagh*
